TUFFEAU SERIES

The Tuffeau porcelain series replicates the sandy, fine-grain look of natural limestone without the upkeep.

This collection is available in three colours: Bianco, where Tuffeau is pure light that floods the rooms; Dorato, whose amber shades create a more rustic and warmer feel; and Terra, which evokes the feeling of a cool summer breeze.

Available in a range of sizes and two finishes – Natural (R9) and External (R11) – to add a harmonious beauty to both indoors and outdoors.

Made in Italy. Rectified edge. Suitable for floors and walls.
