SIXTY SERIES

Sixty is a complete and versatile porcelain tile collection, made in Italy, with 3 components: Natural, Timbro and Mini Bricks.

The Sixty Natural series has a soft surface, silky to the touch, and is perfect for use on floor and walls. This rectified edge porcelain range is available with an R10 or R11 slip rating in a range of sizes from 300×600 up to large format 1200×1200.

The Sixty Timbro (or stamped) series is a feature tile, where a form is impressed in the bare earth to reveal an unusual effect of texture and volume, for original and creative decorative combinations. Available in 300×600 and 600×1200 format.

Pair either or both with the Sixty Mini brick series for a harmonious look. This 50×150 feature tile is available in 8 colours and 3 different finishes – matt, gloss and matt timbro.
