MAPIERRE SERIES

The Mapierre series replicates the beauty of natural limestone, rich in detail and shade variation with swirling movement and intricate patterns on the surface. Available in three limestone looks for use on floors and walls

- NOBLE, which has a refined, smaller limestone chip. Suitable for use in internal spaces.
- ANCIENNE, which has a slightly busier, and more rustic limestone look. Suitable for use in internal and external spaces.
- LIGNE, which is a lineal 3D feature wall tile. Its large 600x1200 format can be paired back with Noble or Ancienne for a seamless design.

The Mapierre series across the 3 limestone looks, is available in five colours - Blanc, Beige, Naturel, Gris or Noir - for you to create endless design options.

All colours in Noble and Ancienne are available with an R10 slip rating. Selected colours in the Ancienne series are available with an R11 external slip rating.

Made in Italy. Rectified edge.
